2009-2010 Enrollment Form

Session: 1 2 3 4

These classes have been organized by home educators like you. Neither the organizers nor Georgia Enrichment Program for Homeschoolers, Inc. profits from the classes. Because the instructors are independent contractors, class structure, fees, and other characteristics may vary on a class-by-class basis. A feedback form will be provided at the end of each session and we would appreciate your comments.
