

To Whom It May Concern:

Georgia Enrichment Program for Homeschoolers, Inc. (GA-EPH) is a non-profit organization providing exciting and enriching activities for homeschooled students. The Fourth Annual Talent and Art Showcase will be held on May 16, 2010 at Ben Robertson Community Center. This event will provide an opportunity for homeschooled students to demonstrate a talent. After the performances, we will have live music, refreshments and dancing.

We are asking for donations and sponsorships from local companies and organizations. We are seeking donations for items to give to participants as well as items that could be raffled. We estimate about 60 homeschooled students participating in this event. All supporters will be listed in our program. Any size of donation is greatly appreciated.

Please feel free to contact me with any questions or for more information. Thank you in advance for your support.

Sincerely,

Teri Verhine
